

## List of Hatch Project and Study Activities that Mechanical Engineering Graduates/Students could be employed in:

- Minerals Extraction
- Minerals Processing
- Bulk Materials Handling
- Hydrometallurgical Plant
- Pyrometallurgical Plant
- Machine Design
- Pumping & Piping
- Pressure Equipment
- Infrastructure Services
- Utilities
- Water Supply & Reticulation
- Power Generation
- Sustainable Systems

### Commodities:

IRON ORE

COPPER

NICKEL

GOLD

ZINC

BAUXITE, ALUMINA, ALUMINIUM

URANIUM

DIAMONDS

COAL

MINERAL SANDS
